This agreement remains in force whilst your child is enrolled as a student at Mount Alvernia College.

Student Agreement:

As a user of the Mount Alvernia College computer network, I understand and agree to carry out my responsibilities for use of the Internet and learning technologies. I also understand that if I break any of my responsibilities, my access privileges may be taken away and other College disciplinary action may be taken. In some cases I understand that certain behaviours may be regarded as criminal and could result in outside agencies such as the police being contacted. I understand that any material attached to or stored on the College network is not private and may be used in evidence in any legal action.

Parent/Guardian Agreement:

As the parent or guardian of this student, I have read the terms and conditions for Internet and network access contained in the ‘**Responsible Use of Information and Communication Technology Resources by Students**’ information sheet and have discussed them with my daughter or ward. I grant permission for my daughter or ward to access networked computer services such as the Internet under these terms and conditions.

I understand that Mount Alvernia College will take steps to monitor and filter material that comes from the Internet and other digital sources, but realise that it is impossible to prevent access to all controversial material. For this reason I will not hold Mount Alvernia College responsible for materials displayed from or acquired from the Internet or other digital sources.

I also understand that if any rules are violated, access privileges for my daughter or ward may be restricted or removed. In certain circumstances outside agencies may need to be contacted and evidence supplied.

I further understand the College or its representatives will be the sole arbiters of what defines inappropriate use and its decision is final.
