Fees are charged on an annual basis. Parents/caregivers are asked to pay Fees and Charges using a Direct Debit system, either fortnightly or monthly. These fees include most student levies and one school magazine per family. Charges not included in the tuition fees (see below) are listed separately on accounts. Discounts are given for two or more daughters at the College.

Building Fund

An annual donation of \$350 is shown on the account. All families are strongly encouraged to make this donation as this assists with the cost of building, refurbishing and maintaining College buildings. As this amount is a donation, it is tax deductible, and a receipt will be issued for income tax purposes.

If a family makes the decision to withdraw a student from the College, one full term's notice must be given in writing to the Principal of the College. If the required amount of notice is not given, one full term's fees will be charged in lieu of notice.
