How to write what you want to say about visual images |

Art Kits are separate to stationery items and are a compulsory requirement for all students studying Visual Art in Years 7-12 or Visual Arts in Practice in Years 11 and 12.

An Art Kit will be distributed to each student at their first art lesson. This kit contains necessary items for students to be able to participate in creative art making activities both in class and at home.

The contents of each kit will vary for each year level. The cost of the kit has been kept to a minimum and will be added to school art levy.
